When statements of conformity are provided, measurement of uncertainty is not taken into consideration when determining conformance with acceptance criteria. Simple acceptance is used. Results generated on this COA relate only to the products that were tested and are subject to the conditions at which they were delivered to the laboratory. This report shall not be reproduced except in full, without the express written approval of Quality Laboratories, LLC. LOQ = Limit of Quantitation, ND = Not Detected. PASS/FAIL results are determined based upon regulation set forth by the Oklahoma Medical Marijuana Authority, Chapter 681, effective November of 2021
